

Small breast – Big deal

Get your dream natural-looking breast and balanced body solution with HBA integration technique only at Jungceylon Hair Transplant Clinic and Anti-aging Science Royal Place (Kathu, Phuket).

Greater confidence comes from greater satisfaction. Dr.Eddie can ensure that for you.

Get the best beauty investment for yourself two at a time. Flawless facial skin and perfect pair of breasts are all yours – YES – with Bellezza xl:pro. Motiva Ergonomix, the best medical-grade silicone.

Dr. Eddie's very own surgical technique perfectly combine silicone and fat implant, with three million stem cells added to maintain high fat survival and initial volume. Breast augmentation can fulfill patient's satisfaction with highest safety and smallest incision possible (4 cm).

Dr. Eddie has been using most of the latest breast augmentation knowledge and has devised surgical technique and know-how for each patient. This reflects in ideal results from orange size of breast to the size of melon with pleasing texture, natural shape and breast line. Enhance your confidence – get perfect look and perfect breast within 3 hours.

This special promotion is for 10 booking only.
